I note that you did not respond to my previous request for a confirmation that Uber

would only allocate hires to private hire cars and drivers that are licensed by Fife Council?
Is there a problem with that?

Regards, Craig

As you are obviously expecting (and have probably seen the social media and local press items), your application has triggered quite a reaction and has drawn a large volume of objections/representations. The matter is sitting with our senior management team and the application will be brought to Committee as soon as practicable. We will alert you as soon as the meeting date is determined.

Hi Craig

Thank you for your update.

Can you clarify what you mean by Whilst no date for submission has been set? We note our submission date was 23/01/20226 based on when we submitted our application and made payment. This was also the day the site notice was displayed.

I note the next meeting of the Regulation & Licensing Committee is set as the 2nd June 2026.

Yours sincerely.

[REDACTED] Whilst no date for submission has been set, your application will be considered in due course and you will be made aware of the date of the meeting in due course.

Hi [REDACTED]

Yes, it was referring to the date that the application is submitted to the Committee, not the date we received your application. A Decision will be made at Committee within 9 months of the date we received your application, i.e. 23/01/2026.

Hope this clarifies matters, Regards,

Craig
